ALBERTA BIBLE COLLEGE

Rocky Mountain College is pleased to partner with Alberta Bible College in offering Teaching English to Speakers of Other Languages (TESOL) training to its students.

The opportunities to use TESOL training in ministry are abundant both here in Canada and around the world. RMC and ABC are working together to provide this training to as many students as possible.

RMC students can use the TESOL program at ABC in two programs:

- Bachelor of Arts in Leadership Development, Intercultural Studies Major with TESOL minor
- Diploma in Global Studies - ESL track
