

Rocky Mountain College

Student Union Scholarship

Each year, the Student's Union designates funds for two \$500 scholarships to current students who have made a contribution to student life at RMC. The recipient does not need to be a returning student.

If you would like to nominate someone, please place the name and a brief description of the contribution made on the section below. At the bottom, place your name as the nominator. Please return the nomination to the Academic office.

A committee of peers will make the final selections and the winners will be announced at the Awards Chapel.
