

## Rocky Mountain College Congratulates Mount Royal University on becoming a full-fledged University

Rocky Mountain College is proud to partner with Mount Royal University's Faculty of Continuing Education in providing job-ready programs that are part of Rocky Mountain College's new Diploma in Global Studies. Rocky Mountain College provides the Biblical, Theological, Spiritual Formation, and Intercultural courses plus the "on the job" practical experience, that will equip students in this brand new program to be effective team members of agencies which are bringing justice and the gospel to people around the world. Mount Royal University provides training leading to certificates in three areas: Project Management, Office Computer and Bookkeeping, and International Community Development.

For more information on the programs offered by Mt. Royal University follow these links:

International Community Development:
